## LESSON PLAN #3

### DESERT LIVING/ANTHROPOLOGY

The people depicted in the sculptures are primarily desert dwellers. The following are questions related to the life styles of the people depicted in the sculptures:

Water is an important resource for desert dwellers. Describe the sculpture groups that depict vessels or containers for water or might have water as an important part of the story depicted?

Clothing worn in the time period depicted by the sculptures is relevant to the desert where they resided. Describe important aspects of the clothing:

The people depicted in the sculpture groups sometimes hold or carry an object. Describe any objects and their potential use.
